Dear Sirs,

I strongly recommend my student Ildiko Szabo!

Ildiko Szabo is a wonderful cellist and  
a great and sincere musician!

Her technique is impeccable, her sound warm  
and flexible and she feels at home in all  
musical styles from Baroque to Contemporary  
Music.

Her interpretations are intelligent and heartfelt  
at the same time.

Ildiko Szabo has won several national and  
international awards. I am convinced that  
she will play an important role in the future  
music life. It would be great if you could  
support her!

Please don't hesitate to contact me for further  
information.

Best wishes
